Due to the evolving situation involving COVID-19, the Hillsborough Bureau of Fire Safety is temporarily suspending all CSACMAPFEC inspections and modifying the procedure for obtaining a Certificate of Smoke Alarm, Carbon Monoxide Alarm and Portable Fire Extinguisher Compliance (CSACMAPFEC) required under N.J.A.C 5:70-2.3(a). We are taking these protective measures to help ensure the safety of the residents and staff of Hillsborough Township. We are providing the sellers of 1 and 2-Family dwellings with two options.

Option #1- During this period, the sellers of 1 and 2 family dwellings may postpone their closing until such time that we resume the CSCMAPFEC inspections. Please note that we cannot provide a date when we will resume these inspections; or

Option #2- The seller will submit a CSACMAPFEC application and fee to Fire Safety and the Sellers, Buyers and their attorneys will complete the below affidavit. Fire Safety will review and approve the affidavit, email the "approved affidavit" and certificate to the parties and allow the closing to take place.
